PLEASANT HILLS CWA

Our Meeting was held recently in Henty at the CWA rooms. Please note all that we have changed the date of our next

Meeting to the day before – TUESDAY, 13th APRIL, and as this is our 85th Birthday, we will be meeting at Soden's Hotel, at 11am, and having a Birthday Celebration to follow.

The Pleasant Hills Patchwork Group have kindly donated a number of beautifully made carry bags, which they had made with the idea of donating them to either Homeless women or Domestic Violence victims, and we have decided to fill them with

various niceties to give away for Mother's Day. We have donated money to the Associated Country Women of the World to help them with their work amongst underprivileged people. Regarding our raffle, it was moved that we draw it at our Birthday Celebrations on the 13th.

Best wishes were sent to Wendy, who is now recuperating after surgery on her knee.

The Riverina Group has the Carevan in Wagga as their Group Project for this year, and members are encouraged to bring non-perishable goods each meeting to be handed on.

Bev added some more environmental items to the list that we can save to be re-used.

Our Group Handicraft and Land Cookery Day was held at Uranquinty last Saturday, and our Branch scored reasonably well. Regarding Handicrafts, we have several first prizes going on to State - Eunice McRae's Patchwork Quilt in the over 80's section, both Louise & Natalie Hasler with their Deco Art in their respective

age groups, and Bev Frohling in The Land Knitting Section.

In The Land Cookery, percentage wise of memberships, we were the most successful Branch. We had three members gaining first prizes which are then to be cooked again and entered at State level, so Margaret Hasler will now be making a light fruit cake, Louise Hasler is to make Butterfly Cakes in the under 18 section, and Lyn Jacobsen the Donna Latter Chocolate Cake. Bev Frohling got a second for her Tomato Relish, and we had numerous other second prizes, plus a third prize.

The Cookery judge was Mrs Jan Young, from Bathurst Evening Group, and she talked about each section as she judged, giving handy hints along the way, which people greatly appreciated.

Emma Reynolds, Wagga Wagga's Road Safety Officer, was our Guest Speaker, and spoke about road safety and various facts, also handing out bags to everyone.

As Uranquinty Branch is a reasonably new Branch, and, given that the Covid Lockdown stopped the day last year, this was their first time hosting a Group day, and everyone enjoyed their hospitality in their wonderful hall, so I am guessing this will be the first of many events to be held in Uranquinty.

Our next meeting will be our Birthday Celebrations on Tuesday, 13th April, starting at 11am.

Lyn Jacobsen, Group Land Cookery Officer, presenting Margaret Hasler, Branch Cookery Officer, with the trophy for the cakes displayed in the background.

School News and Reviews

Congratulations to Peter Cheney for being selected to participate in the AFL trials in Wagga in March. Peter was selected to represent Southern Riverina in

footy where they played against Wagga, Albury, and Northern Riverina in Wagga, where 22 boys were selected to represent Eastern Riverina. Peter being selected will now go to Albury in early April for the Riverina Trials. Well Done and Good Luck Peter!

Pleasant Hills Pre School

The children have been working together to create play scenarios using crates, tarp, bungee cords and bean bags. This has helped them to develop their talking and listening skills while they choose which character they will be and what they will do in the play. The play has involved making cubby houses, boats, fishing rods, submarines, forts etc.

On a nice sunny day, the pre-schoolers ventured out to collect the mail from the preschool. They saw some horses and foals on the way and used their one-to-one counting skills to work out how many horses they saw altogether.

A very exciting science experiment occurred in February. It was a warm day, so Mrs Klemke used her knowledge to create ice cream without a freezer. The children put cream with a few other ingredients inside a zip lock bag. Then they put it in a larger ziplock bag that had ice and salt in it. They then shook the bag, and the cream froze and turned into ice cream. What an exciting experience!

Hills Happenings

Well done to Peter Cheney for receiving the Coaches Award in the Osborne Under 13's Cricket at the recently held Osborne Cricket Celebration.

Peter loves his sport and is likely to be able to tell you what a footy teamed scored or what a cricketer bowled if asked.

The new signage for Pleasant Hills welcoming people to the area looks lovely and proudly displays our history as the "home of NSW's first Community

Hotel" and 21 years latter (this year) still going strong.

Wedding Anniversary:

Happy 50th Wedding Anniversary to Bob and Margy Jacobsen on the 17th April.

Congratulations :

Congratulations to Grant Morey and Sherree Richardson on their Wedding on the 12th March.

Condolences:

Condolences to the Clancy family on the passing of Sr Carmel Clancy.

Ian McGee Memorial Garden

A small gathering of a people at Pleasant Hills Hotel to witness Prida McGee, with the support of Oriel Ridge, unveil a plaque in honour of her late husband Ian, on a lovely rainy afternoon.

About 6 years ago Ian was the instigator of the garden situated down the east side of the Community Hotel's fence. Along with Rodney Cox they spent many hours to get it to the "pleasant" stage that it is today. Ian cared about the Pleasant Hills village. Always concerned about the grass taking over and the fire threat to the town, so we honour and remember you, Ian, with this plaque.

Introducing Mr & Mrs Morey

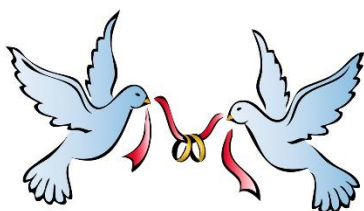

Grant and Sherree Morey 12/03/2021

A lovely day was had by all who attended the wedding of Grant Morey and Sherree Richardson on the banks of the Murray River at Corowa on the 12th March 2021.

The reception was then followed at the Corowa Whiskey Factory, which was everything it could be hoped for. A honeymoon was then followed at Palm Cove. Thank you to everyone who helped celebrate such a wonderful day.

Pleasant Hills Patchwork Group

Last months' meeting had people enjoying learning the Kaleidoscope Quilt, with two different techniques being taught by Louise Lieschke and Virginia Clancy. Some quilters choose to continue with projects they had stated earlier. Everyone seemed to enjoy the day and we welcomed new people and regulars we had not seen for a while.

Our next meeting is a UFO, (Un Finished Objects) on Saturday 17th April, so you can bring whatever you like to continue working on, perhaps the Kaleidoscope Quilt started last month, or start something completely new. Cost is \$6 for hall hire and BYO lunch, morning tea and all sewing requisites. Please bring anything you have completed for show and tell, it is always fun to see what you have finished.

Printing costs are met by Henty and District

Hills History

PLEASANT HILLS FOOTBALL

A football meeting was held on Saturday evening last, Mr G. Wilkinson (President) being in the chair. The acting Secretary, Mr. Chas. Lindner was also in attendance. Despite the fact that there was large number present, interest appeared to be lacking as regards forming a football club, it being contended by several players present, that it would be difficult to form a team this season as a number of old players would not be available this year. After discussion, it was agreed to again join The Rock and District Association. A letter was received from the Secretary of the Association, asking that delegates be sent to a meeting to be held at Yerong Creek on Wednesday, April 12. Messrs. G. Wilkinson, P. Knobel and Chas. Lindner were elected as delegates. Mr. Les. Klemke was elected secretary of the club. A vote of thanks to the Chairman closed the meeting.

The air was electrical with all sorts of rumours when the official from the Bank of N.S.W. failed to put in an appearance last Friday morning, the Bank's usual business day. A 'phonecall to the manager in Henty brought information that he had left at the usual time. When nearing mid-day and still no sign, a car was despatched to find out where the hold-up had taken place. Ye gods! What a relief when it became known that he had not been robbed, but hopelessly bogged on the road out.

The long dry spell was somewhat broken last week when scattered thunder storms broke over the district. Falls of rain varying from 2 points to 2 inches were recorded. As water for household and stock purposes was getting very low, the rain was very welcome. Some of the farmers have commenced seeding but the majority are waiting for a further fall.

Mrs. Klemke, snr., Albury, who has been holidaying with her son and daughter-in-law, Mr. and Mrs. S. Klemke, has returned.

Mr. and Mrs. Duncan Perrin have left for their annual holidays, which are being spent at Katoomba and Sydney.

We are pleased to report that Lorna, daughter of Mr. and Mrs. A. Sherwood, who met with a nasty accident a week ago, has returned home from hospital.

We are pleased to report that Mr. S. Klemke, who has been confined to his bed with pleurisy, is improving.

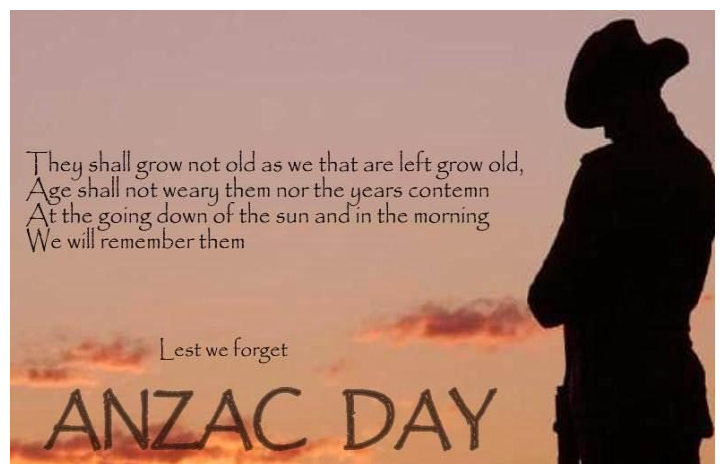

Miss Mary Sticker left last week on an extended holiday in Melbourne and Gippsland.

All reported in one article in, The Lockhart and Oaklands Advertiser - Tue. 11th April 1933 Pg3
