Pleasant Hills Branch celebrated our 85th Birthday with a Luncheon at Soden's Hotel in Albury.

Another of our members, Lyn Lieschke was presented with a Long Service Bar and some flowers. Lyn then cut the Birthday cake which was made by Eunice McRae and decorated by Lyn Jacobsen.

All members were presented with a CWA 85th medallion, recognising our 85 years. We had a very low-key celebration, as several members were unable to attend due to sickness etc, but all who attended enjoyed a great day together and being waited on – rather a different feeling.

With regards to the NSW floods prior to Easter, a member made a hasty decision to take orders and make hot cross buns, with the money going to the CWA Flood Disaster Relief, and \$300 was raised.

We were also asked to help cater for a special birthday dance at the weekend, and the door entry was a donation for the CWA Flood Disaster Appeal, which resulted in raising \$700, so we have been able to send off a total of \$1000 from our Branch towards this Appeal. Anzac Day Service at Pleasant Hills is as always at 9am sharp, followed by morning tea, which we have made sausage rolls for, and everyone is encouraged to take a plate.

We have been lucky enough to have been given a Bunnings BBQ on 5th June, and we would

really appreciate it if we could get some volunteers to help us out on the roster, please.

The Group is having an Agricultural & Environment Bus Trip on 31st May to a Cotton Gin, the Malt House at Whitton, then an Organic Rice Farm, and more if time permits. We are hoping to have a carload to join them.

We drew our Easter Raffle, with 1st Prize going to Christine Hardwell, The Rock and 2nd Prize to Lily McDonald from Howlong. Thanks to everyone who supported this.

Cultural Day was held at The Rock on 19th April, with a carload attending. We entered a humorous skit, which was awarded third place, with Lyn Jacobsen winning the Best Actress Award for the day.

We are wishing our two members going to the 99th State Conference, Bev Frohling and Margaret Hasler all the best as they travel to Bega for this event, also sending our best wishes to our members who have entries in the State Handicraft & Land Cookery Sections.

Our next meeting will be on Wednesday, 12th May at the Commercial Club, Albury at 10.30am - please note change of Venue.

What a great turn out to our inaugural Sunday Lunch under the veranda. With over 70 people enjoying lovely food, entertainment and I am sure a beverage or two on a near perfect Autumn afternoon. The veranda came up a treat and a big shout out goes to the Sharps and Hahn's for the presentation. The next one is scheduled for the 23rd May and bookings are essential. Contact Michelle on 0428296405 or Janette 0427897991 or leave a message on the Pub Facebook page.

Walla Lions is collecting cans/bottles and the local community can cash in without having to take them to town. If you bring your cans/bottles in on the day, they are collecting them from the pub, the Lions club can put the money straight into your bank account. Keep an eye on the Pub Facebook page to let you know when they are next coming to collect them. Or if you don't collect the 10c per can/bottle but have a stash of them at home can drop off and the pub can cash in on the proceeds. For more information or queries contact Suzanne 0428293047.

Sunday Lunch Under the Verandah

On the 18th of April the Pleasant Hills Community Hotel, held their first “*Sunday Lunch Under the Verandah*”, the inspiration of Michelle Sharp and Janette Hann. Without doubt, it was a massive success.

Over eighty people booked in for an absolutely delicious two course, five-star restaurant quality, gourmet offering. Everyone was raving about the food.

It was great to see the Lockhart Shire Mayor and Council members were in attendance, to support our small Community Hotel.

The crowd was entertained by Brian Liston, from Henty, who played throughout the afternoon.

At the conclusion of food service, the caterer, Belinda Creek and wait staff (our local young people) were asked to join us under the verandah for Michelle Sharp and the guests to thank them for the wonderful food and service that made our “*Sunday Lunch Under the Verandah*” a success.

A big thankyou to the bar staff that volunteered to do a shift behind the bar on the day. The word is out. I have heard many non-locals talking about how friends of theirs had a wonderful afternoon at the Pleasant Hills Sunday Lunch. So you had better book early for the next “*Sunday Lunch Under the Verandah*” on the 23rd May.

Our Trip to the Sydney Royal Easter Show

We attended the Sydney Royal Easter Show to spend some time with Stephanie in her last few days as the reigning Sydney Royal Showgirl. Steph had spent the last week of the Show mentoring and helping the new Showgirls, one of them being Aimee Riley representing the Walbundrie Show. Before the new Sydney Royal Showgirl was announced, we were very proud to see Steph's emotional Farewell Speech to everyone about her time and experience as the 2019 Showgirl. She then presented the winning sashes to the new Sydney Royal Showgirls for 2020, the winner being Jessica Neale (Cootamundra). This has been an amazing journey not only for Steph but for our family over the last 2 years. Steph also spent time with the Rural Achievers and we were very excited to see another local girl, Dione Howard, (daughter of Graeme and Leanne Howard Milbrulong) who was awarded the Rural Achiever Award for 2021. Well done Dione!!

We were also able to see many highlights of the show. We were very impressed with the District Exhibits of each region in NSW, with our region Southern Districts winning First Prize which was the first time in 12 years. The CWA's scones were very popular with hundreds of people each day lining up to enjoy their homemade cooking. Even though Lyn Jacobsen could not be there this year, she is fondly remembered by all the CWA ladies and was greatly missed. The woodchopping was one of our favourite things to watch and is very exciting with the handicap system. The children's farm yard was also very popular with the children being able to feed all the farm animals. The Judging of so many

different animals coming from all over NSW was also very interesting to see. The pavilion entries were amazing too with so many things to look at such as wool, decorated cakes, paintings, flower arrangements, needlework and many other exhibits too numerous to mention. If you like Show rides and games, there is plenty of them to try and if you want a Showbag, there is a whole pavilion filled with them to choose from!! In the evenings, the Showground arena came alive with camp drafting, parade, dancing, horse events, motorbike jumping, car racing and a massive fireworks display. We had a wonderful 4 days away at the Sydney Royal Easter Show and hope that we can get back there again in the not too distant future.

ANZAC DAY AT PLEASANT HILLS 2021

It was wonderful to again to commemorate ANZAC Day together as a community. Pleasant Hills did not disappoint with about 80 in attendance at the Community Hall.

The service was officiated by Louisa Heycox, a representative of the Henty RSL Sub-branch, Peter Sharp, and our guest speaker Flight Sargent Stuart Myles.

The service was supported by Emily Lieschke who played the organ and Nikita Clancy who did a reading during the service.

Nikita Clancy being commended for her public speaking by Grainne (Gronia) Myles, the Flight Sargent's lovely wife, who is a teacher. During the service there were many wreaths laid in tribute to our servicemen and women.

As always, the service was followed by a beautiful spread of food supplied by the Pleasant Hills CWA and locals served in the glorious sunshine at the front of the Hall. Many people remained to have chat and a catch up.

Lest we forget.

Introducing Mr & Mrs Zonneveldt

Marilyn Terlich and Steve Zonneveldt's wedding:

On Saturday the 10th April, Marilyn Terlich and Steven Zonneveldt were married at the Zion Lutheran Church at Walla Walla. The day started as usual with everyone getting ready. On the way to the church, one of the groomsmen's car's (which was one of the wedding cars) broke down 23km from the church. Steve and some of his groomsmen had to hitch a ride to the church with guests who were driving past.

The bride (as per tradition) was also running about 15-20 minutes late.

The reception was held at the Corowa Whisky and Chocolate factory. Everyone who attended the wedding had a great time and really enjoyed themselves.

We travelled to the Sapphire Coast for our honeymoon. On the way there, we travelled through and spent time in the bushfire affected areas around Tumbarumba, Jindabyne and Cobargo. These areas are slowly recovering. Some areas were burnt that severely, that it will take a long time to recover (if they ever will). Thank you to everyone who attended our wedding to help us celebrate and also to those who sent their well wishes. Thank you to everyone who helped out on the day. Your help was greatly appreciated.

Marilyn Zonneveldt

Our Backyard

TWO FAMILIES: OLD AND NEW

Spiders can basically be divided into two groups: Primitive and Modern. There are though, two spider families that link the two groups together known as “living links”; but this is only a very small percentage of Australian spiders.

“Primitive spiders (Mygalomorphs) ancestral lineage goes back over 360 million years. Most of these spiders still live fearful lives in damp, dark holes in the ground and react to unexpected events by cowering in fear, unable to move, or by plunging their pick-axe fangs into whatever is in striking range. They take several years to reach maturity. The females are known to live long sedentary lives of 20 years or more. The males rarely survive more than 5 years. Some of the largest, most aggressive and most poisonous spiders belong to this order.

There are three major groups of primitive spiders in Australia: the Trapdoors, Funnel-webs and the brush-footed Trapdoors. They are all survivors from times when much of the land was covered in great forests and they have not changed much from their ancestral forms. Most rarely leave their nests and only venture out to feed on unwary ground-dwelling insects that pass near the burrow entrance at night.

“Modern spiders (Araneomorphs) evolved at a debatable later time. Dramatically changing climates, the marked stages of insect metamorphosis including the power of flight and dispersal, and the diminishing of rich green forests all contributed to their breakaway from the archetypal or common stock.

Araneomorphs are extremely diversified in physical make-up as well as in habits and environmental preferences, but can be separated into two broad categories: Vagrant-wandering spiders, and web-weaving spiders. They can be broken down further to: Open-range hunters; Ambushers and Anglers; Apprentice Weavers; and Master Weavers.

This Pleasant Hills species has developed the ability to literally ‘walk on water’ and probably could be classed as an Angling spider. (From: Spider Watch by Bert Brunet)

Postscript: Our Wedgetail Eagle from The Great River Road Drive has received a new hat but the Bogong Moth suffered severely during the recent bushfires. At this stage I don’t know if repairs have been made as a trip too far into Victoria could still result in a tricky outcome.

Bob Marshall.

Hills History

Pleasant Hills History

To reflect on ANZAC Day, I thought I would do some research on a serviceman laid to rest in the Mundawaddy Cemetery.

The inscription reads, In loving memory of Cyril beloved husband of Clarice Johnson of Mildura. Died 20th May 1927. Late AIF 38th Btn.

He was born in Mildura abt. 1897. His obituary in the Sunraysia Daily, 23rd May 1927 pg 2. Cyril Johnson died suddenly at Mynyabla near Henty. Beloved husband of Clarice and father of Little Normi. Third son of Mr and Mrs H. A. Johnson. Loved brother of Mabel (Mrs Cambell), Arthur, Ernest, Norman, and Kathleen. Aged 29 years. At rest.

Through his service he saw action in France and spent time in Egypt. He was

awarded 3 medals: The Star, The British War Medal and The Victory medal.

Cyril's military file lists his features as: 5' 6 ½'', 150lbs, fair complexion, grey eyes and fair hair. Cyril enlisted 15-9-1915 and was discharged 22-6-1919.

Throughout his service Cyril suffered with "Quinsy" which is an infection of his tonsils. He was hospitalised quite a few times throughout his service.

In his probate records his profession is stated as Horticulturalist. So, I did some more digging and found that his father, Henry, was listed as the same profession in the 1924 electoral roll for Mildura.

Henry Albert Johnson was born Hans Albert Cornelius Jorgensen. Henry left home at the age of 14 and went to sea. He deserted ship in Australia at the age of 18. He went back to sea for a while. A prominent family, the Chaffey's, sent for him when they established the Mildura region. Henry was in charge of Surveying and Construction of the irrigation scheme. Henry brought vine cuttings and Washington Navel orange trees from California. Henry and his wife Idith had 7 children. Idith died of TB in 1912 at the age of 41 years. Cyril enlisted in the AIF, in 1915, at the age of 18 years.

Cyril married Clarice in Mildura in 1920. I can find no further record of their son Normi.

It is said that Cyril met with an accident. At Cyril's inquest, which was held at Mynyabla, it was found that Cyril died of his own hand.

Lest we forget.

*Cyril may have been visiting his sister. She may have been a Mrs Cambell?
