PLEASANT HILLS CWA

What a wonderful day we had at the Pleasant Hills School where we held our meeting and International Day luncheon and talk as well as the Students Land Cookery. We started the meeting with a minute's silence in honour of Mrs Margaret Hasler, who passed away on 31st July. Margaret had been a valued member for 32 years, participated in many of our skits in Riverina Group Cultural Days, helped with lots of caterings and in recent years, had been our chief jam spreader when selling scones with jam and cream. She attended many Group Council Meetings and also really enjoyed State Conferences. As well as Land Cookery officer, she was a former Branch President and also International Officer. We catered for her funeral wake, and she will be missed by all. Nett spoke on "Small Steps 4 Hannah", a talk for which she had done the organising with the co-ordinator about coercive control and the big part it plays in Domestic Violence situations. The idea of this program travelling around is in the hope of spreading awareness so that friends/family will recognise the warning signs of coercive control and hopefully prevent this dreadful outcome from ever happening again. It was unfortunate that the day it suited the organisers was a day that most of our members were unable to attend, however it was advertised so some members of the general public did come. We hope at some time in the future to hold another one of these talks at a time when more people can attend this very worthwhile talk and raise more awareness about this form of Domestic Violence. Some of the major points of interest were discussed from the recent Group Council Meeting, and some discussion was held on making sandwiches and slices for the Henty Field Days, as well as who was able to work at

them. Anyone wanting to help out please contact Lyn.

We held another street stall on 22nd August at Bunnings, since August is when we allocate our funds to various projects. Incidentally, with what we have already given away this year and what we decided on at the meeting, we have given away over \$9,000 this year, which we consider to be a fair effort from our smaller Branch.

Several members hope to attend The Rock Branch's International Day on 29th August. CWA Awareness Week will be from 6th – 13th September this year.

On the 13th September, the Group is holding its Ag & Environment Day at Uranquinty and a great day has been planned by the A & E Officer, Margie Carter. Please if you are planning on going, could you let Lyn J know by the beginning of September so we can put our numbers in. Land Cookery was a wonderful surprise, with the school children cooking a total of 17 cakes! What a task it was to pick the best patty cake, decorated with sea creatures! We have some students who put so much thought into how they would decorate these little patty cakes. The winners were – 1st Connor Barker, 2nd Cohen Morey and equal 3rd James Terlich and Laura Smith.

In the best packet cake, 12 yrs and under, 1st was Lachlan Barker, 2nd Jessica Maloney and 3rd Maeve Turner. In the under 18yrs Chocolate Butter cake, Caitlin Barker was the winner so a big thank you and congratulations to all for making this such an interesting competition.

In the other Land Cookery, we had a chocolate peppermint slice where Kay Dean was first and Lyn Jacobsen second, whilst Lyn won the Sultana cake section. Next month we will have a Light Fruit cake and the Surprise cake – the recipe is in the June Journal.

Our International Day Luncheon! This year, CWA is studying the Republic of South Korea, so we served some Korean dishes for lunch. Actually, the food was delicious and enjoyed by everyone – so much so that the recipes were copied so they could be made at home! (We did pick on less spicy foods!) After lunch we went into the classroom where the students presented us with a wonderful PowerPoint Presentation which they had done, showing us what they had learned about South Korea and their presentation was excellent. Nett Maloney, who is our International Officer added some interesting facts about their culture, which was of interest to all. Altogether a lovely day!

Our next meeting will be held on Wednesday, 10th September at the Commercial Club in

Albury, starting at 10.30am. Everyone is welcome!

Just a late addition, our street stall went off very well again last Friday. It is amazing how well home cooking sells, and so very helpful that our new members are also cooks which have greatly added to our stocks.

Lyn Jacobsen.

Pleasant Hills Community Hotel

All accommodation rooms for the upcoming Henty Field Days are now fully booked. During the Field Days, the hotel will open daily from 2pm for beverages and will be offering a takeaway menu in the evenings.

In preparation for cold winters ahead, the committee, friends, and family recently gathered for a successful wood-cutting day, ensuring plenty of wood is ready for the hotel. Our next working bee will be held on Sunday 14th

September at 10am, just prior to the Field Days, everyone welcome.

We're pleased to share that the kitchen upgrade is now complete, with all new appliances installed. This was made possible thanks to the generous support of the Henty Community Bank grant earlier this year. A huge Thankyou to Annie Scholz for making this project happen & to our volunteer committee & friends & tradies who have helped with the heavy lifting & working bees to make this fantastic upgrade happen.

At our recent AGM, there were some changes to the committee. We sincerely thank Peter Sharp (outgoing President) and Suz Forck (outgoing Secretary) for their many years of dedication to the hotel committee. We are grateful they will continue to be

involved on our rosters & help with other tasks, even as they step down from their official roles.

Our new Executive is as follows:

President: Ross Newton.

Vice President: Wayne Scholz

Secretary: Clare Hamson

Treasurer: Adam Lowrie

Returning Committee members: Corey Beckett, Julianne Clancy, Marty Chamberlain, David Grant +

New Committee Members: Grant Morey & Zach McRae

We will be opening earlier on Saturday 27th September to televise the AFL Grand Final at the pub. Come along, enjoy some local company, and settle in with drinks and bar snacks while watching the big game.

Don't forget to like & follow our Pleasant Hills Community Facebook page for all further details about our upcoming events, dates, times in our community.

Finally, we wish all the local footy & netball clubs the very best in their upcoming finals and thank you all for the strong support you've shown the hotel throughout the season & we look forward to seeing you back at our hotel for celebration drinks afterwards.

Clare Hamson.

Printing costs are met by Henty and District
Community Bank® Branch Bendigo Bank

School News and Reviews

PLEASANT HILLS CWA INTERNATIONAL DAY – SOUTH KOREA

Our primary school students did a Power Point presentation for the CWA ladies regarding their study of South Korea. The CWA group were very impressed with the depth of knowledge they found out about South Korea.

The CWA ladies would like to extend a big thank you to all the parents who generously gave their time and effort to help with cooking and baking cakes. Well done to all the students who participated in the cooking competition and thank you to the CWA for donating the student book prizes.

The CWA ladies also cooked a delicious meal for the students and staff, which was enjoyed by all.

PRIMARY EXCURSION – CANBERRA

The upcoming school excursion has been generously funded by our Parents and Citizens (P&C) Association. Their support means our students can look forward to an enjoyable and enriching experience without any cost to families. We sincerely thank the P & C for their ongoing commitment to enhancing our students' learning opportunities.

HELP IS NEEDED AT HENTY MACHINERY FIELD DAYS IN THE P & C STALL

Your help would be invaluable in supporting the P & C's efforts to continue funding wonderful activities and resources for our school. If you're able to lend a hand, please contact the school office or the P & C directly. The P & C have added all parents to Facebook Messenger.

GYMNASTICS

The students have enjoyed their three Gymnastic lessons at our school and are looking forward to going to the Flyaway Gymnasium in Albury on Friday 12th September.

BOOK WEEK

Our school had a great time celebrating Book Week! Thank you to those who came to the parade and thank you to our Pre-School friends for joining us!

BERNIE O'CONNOR FOOTBALL NETBALL CARNIVAL

Good luck to all our students attending the carnival on Friday 29th August. The younger

students who are not involved with the carnival will spend the day at Yerong Creek Public School. A reminder that this year is via private car.

IMPORTANT DATES

Friday 29 August Bernie O'Connor Football/Netball carnival
Wednesday 10 September Footy Colours Day at School

Friday 12 September Gymnastics @ Flyaway Gymnasium Albury

Wednesday 17 September Life Education Van - Greater Kengal at PHPS

Pleasant Hills Pre School

We enjoyed dressing up as our favourite character for Book Week. To celebrate, we joined in the

parade at the school and enjoyed sharing a sausage sizzle with them. It was fun to see all the different kinds of costumes the school kids and teachers had on.

On a cold, wet afternoon we decided to make some lemonade scones for afternoon tea. The preschoolers measured, poured and stirred the mixture before cutting out the scone shapes.

Once they were cooked, we topped them with jam and cream! They were delicious.

We are still waiting patiently for our potato people to sprout so we can plant them in the garden. While we wait, it's interesting to watch them change shape and shrivel up smaller.

Pleasant Hills Patchwork Group

Patchwork in August was very productive with lots of UFO's being worked on as can be seen in the photo collage of show and tell and other works in progress.

Our next patchwork group meet is Saturday 20th September and it's a Bags & Pouches day, you can BYO your own choice of bag or pouch pattern or you can make one or all of the suggested bags:

Baked Potato Zapper, Taco Pouch, Twice as Nice Zippered Organiser and Drop Zone Bag.

If you prefer to work on your own unfinished project, then bring that along.

BYO: Your own lunch, and the Hall hire fee which has increased to \$7 per person, your sewing machines, notions and requisites.

The Helen Godden workshop Quilt-a-Doodle is on Saturday 4th October and costs \$100 please email hentyactivearts@gmail.com if you are interested in this 1 day Free Motion Quilting experience, however booking is due by the 6th September please.

Community Neighbourhood Watch

Please keep your eyes open for any suspicious behaviour in the village and if seen report it to the local police.

The disabled toilet near the Hall has been vandalised over the past few months, with the toilet seat noted to have one side cracked in June, and then in July further damage has occurred.

Many Hands Make Light Work

The major fundraiser for the Pleasant Hills Public School P&C is the HMFD this month. Please contact Emily Turner on 0427296401 if you can help.
(especially if you can donate some eggs)

Wise Words for 2025:

"When one door of happiness closes,
another one opens; but we look so long
at the closed door that we do not see
the one which has opened for us."
- Helen Keller

Please note:

Deadline for October newsletter will be Monday 22nd September evening due to School Holidays starting 29th September.

Tennis Club

The tennis club held its AGM in August & the committee is:

President: David Stein

Vice -presidents: Grant Morey & Sam Terlich

Secretary: Carol Smith

Treasurer: Courtney Trethowan

Team Managers: Renae Lieschke

We thank Sarah Newton & Renae Lieschke for their time as secretary & treasurer respectively. We are thrilled that we will once again have a sec 6 team, which consists of young players just beginning or that have a season or two behind them. So, if anyone has or knows someone that may be keen to play, whether it be regularly or occasionally, please let Renae know. There will be a coaching morning during the next school holidays with Matt Horn, on 9th October, followed by coaching during term 4 with Tom Janetzki. Please let one of the committee know if you're interested.

With our senior side, we have requested to be in sec 2 for this season. Our young players are becoming quite strong & we also have several new players which is great. Again, if anyone is keen, please let us know.

Whilst the final two new courts will not be ready for the start of the season due to drainage issues, they should be ready soon after.

Thank you again to our sponsors, who helped us to obtain the new shirts.

Recreation Ground News

We have requested a meeting & update from council re the rec ground camping & amenities, but this has not yet been scheduled by them. We assume this is close to being finalised, but clarification is sought by us regarding ongoing cleaning & maintenance.

Carol Smith.

Spring Morning

by Mathew Rush

The sun was shining bright,
The lake was twinkling light,
The grass had that fresh mowed
smell,
And the breeze was only slight.

The birds were in their song,
They lasted fairly long,
The trees were waving casually,
And I could feel no wrong.

The flowers opened wide,
The bees no longer hide,
The keeper shared his honey
'round,
And beamed with open pride.

The spider's web was high,
It seemed to touch the sky,
The wet cold days have finally
gone,
For Spring at last came by.

Word of the month

“Plimsoll”

Now known mostly for the rubber-soled canvas shoe, “Plimsolls” are especially worn for sports. Originally, the “Plimsoll” was a marking on a ship's side showing the limit of legal submersion when loaded with cargo under various sea conditions.

Named after Samuel Plimsoll (1824-98), the politician whose agitation in the 1870s resulted in the Merchant Shipping Act of 1876, ending the practice of sending to sea overloaded and heavily insured old ships, from which the owners profited if they sank.

Mathew Rush.

Lola Coffee trip to Louth, NSW

Through a friend – we were asked if we'd consider taking our coffee van to Louth over 5 days for annual running of the races. It has always been on our list to attend the races and with our farming operations on track, we headed off on a working holiday.

Prior to the event the local area had received rainfall of 10-20mm of rainfall 2 weeks earlier, which was their only significant rainfall for the year.

A summary of the road trip enroute to Louth

As we left, things looked fresh with crops beginning to respond to sunshine as the days became longer. All the Lockhart shire presented well. From Gillenbah to Darlington point the grazing country was not as fresh. North of Griffith as the country changes soil types, it is a bit hit and miss with a small percentage of early crops, however later sown crops were thin and will need good conditions to get something back.

At Tabbita – was the first canola crop at about 20% flowering, however, was irrigated on a lateral pivot and the dryland part of the paddock didn't have canopy cover.

Merriwagga, Goolgowi to Hilston same story, with more areas to field peas and some paddocks not planted at all – just left as fallow break.

Mt Hope cemetery which is typically the divide between the grazing country and the cropping ground, was there the goats began, generally in mobs of 15-30 and about every 10 kms they just grazed the edges of the road, unlike kangaroos, the goats weren't fazed by passing traffic and kept to their side of the road. Some graziers appeared to allow the goats through the fences and others had exclusion fences to keep them out and even some to keep them in.

As we approached Cobar – the traffic increase with road trains with side tippers around the mines.

Cobar to Louth – 130km

Same again more goats, some country had been cleared, and some country had been chained.

After Endeavour mines – the sealed road finishes and it feels the outback begins. Halfway marks the change from goats to dorper sheep and then merino sheep begin to appear.

We arrive at sunset at the Louth race ground

In the lead up to the races, the town uses the large influx of travellers to raise money for the town and supports wider community charities.

Events included a charity 9-hole golf event- the towns golf course sits in the middle of 3400-acre paddock, other than having fun- the only rule was that you could only play with one club.

Having been to Camerons corner and playing golf in 3 states, we think Louth's golf course is certainly a true outback experience.

The Louth primary school has 8 students and holds its annual craft market and stalls which was well attended. The local Pub – Shindy's Inn hosted a campfire cooking competition one afternoon along with scone cooking competition, as well as live music. The Calcutta the evening before the race saw the crowd overflow across the street.

Race Day

On the eve of race day there was very light rainfall -2mm, this didn't worry the travellers as the numbers of people continued to arrive, however the late travellers were well noticed by the red clay covering their vehicles and caravans. As the sun rose on race day, the race committee were dealt with disappointment that NSW Racing had deemed the course unsafe for racing. To complicate matters further – both roads from Cobar and Bourke had been closed after a few vehicle accidents on the wet roads overnight. It was only the day traffic that was impacted as for the ones who had arrived prior to the rain – in true outback style everyone enjoyed the entertainment well into the night.

People travelled from all over Australia, with many making it an annual trip. Whilst we have all seen the famous pictures from the Birdsville races – with the veranda of the pub overflowing with empty cans – I can assure you that the Louth races could replicate the equivalent judging by the number of cans that were amassed from the event.

After the race day everyone was back at the Shindy's Inn, with yabby races drawing a huge crowd. We were kept busy and enjoyed the events with a great group of people, who enjoyed the relaxed environment in outback Louth NSW.

A little History

The village of Louth was established in 1859, when an Irishman named T A Mathews built a pub to cater for the passing river trade and the

Cobb & Co coaches, both who were servicing the booming pastoral industry in the area.

At one stage the town grew to have 3 hotels, a cordial factory, 3 bakeries, 2 butchers, post office, 3 churches, a Chinese garden, general store and police station.

Today – Louth is a small and friendly town, consisting of a pub, fuel stop and a small school.

Attractions – Visit the cemetery and see the emotive ‘Celtic cross; an 8-meter-high polished granite cross that memorialises Mary Mathews, the wife of Louth founder, for 3 minutes at sunset, the sun catches the monument and the cross shines bright.

Tour Historic Dunlop station, established in 1880, was a million acres, it was the first sheep station in the world to use mechanical shears.

Here is a little pub talk from a few locals

- Louth sits on the flood plain of the Darling River
- Rated carrying capacity is 1 sheep to 10 acres
- Larger sheep stations are production 1000 bale wool clips
- Sheep numbers have been dropped from 30,000sheep to 20,000 as of the seasonal conditions
- Fuel prices – unleaded- \$2.40, diesel - \$2.90
- The only sport played in Louth is cricket – there is the occasional foul due to a ball hitting a cold can.
- Nothing much happens for the rest of the year.

Kindly composed by Brice and Amanda Lieschke.

Hills History

A meeting of the Progress Association was held on Thursday, March 7. The president Mr C A Linder was in the chair. The secretary was instructed to write to the Shire Council asking it to paint all mile pegs from Henty to Pleasant Hills and further on: also asking it – moved by Mr E B Skipper, seconded by Mr O Sticker – to attend to the Henty- Pleasant Hills road between portions 105, 72, 79, 66, 19, 13, and 18, parish of Munnyabla: also cutting in hill between portions 83 and 73, parish of Munnyabla: also have streets aligned in Pleasant Hills; also to consider the matter of the water supply at Pleasant Hills.

(The Border Morning Mail and Riverina Times- Fri 15th March 1912 pg3)

A very successful and enjoyable Tennis Ball took place on Wednesday evening last. About 35 couples being present. The floor was about the best arranged for dancing that has been seen in the district for some time. First -class classical music was supplied by Mr A Chisholm and Sim Emery and was highly commented on. The arrangements of the Ball were in the capable hands of Mr James Knobel (secretary), and the duties of MC were carried out by Mr Klemke (storekeeper) in his usual tip top style.

At an early hour in the morning the dancers wended their way homewards feeling thoroughly satisfied with the enjoyment derived from the Pleasant Hills Tennis Ball.

(The Lockhart Review and Oaklands Advertiser – Wed 15th October 1913- pg3)

A confirmation service was held at the Lutheran Church, Pleasant Hills, on Sunday.

There was a large congregation. Nine candidates, six girls and three boys, were confirmed by Pastor Hartmann. The choir rendered special hymnal music, under the

direction of Mr E Grunow, Miss Hartmann officiating at the organ.

The Pleasant Hills Cricket Club had their first Practice on Sunday.

Wheat carting is getting a swing on both Pleasant Hills and at Urangeline. The wheat is weighing well, and farmers are pleased with this and also with the fact that they are getting a bit more than they expected.

(The Lockhart Review and Oaklands Advertiser Tue 27th Nov 1928 pg2)

The tender of Messrs Grant and Berry, of Albury has been accepted for the erection of the teacher's residence in connection with the Pleasant Hills Public School.

A very pleasant reunion of the young people took place at Urangeline on Friday night last: the occasion being a ball given by the bachelors of that place. About 90 were present, and dancing was kept up in lively style from 7 in the evening until broad daylight next morning.

Word has been received through M W J Lyne, MP, that a new school building is to be erected here. The present one is too small, being only 25 feet by 14 feet and 53 children in attendance.

The recent rains have freshened things up considerably: both crops and grass are shooting ahead, and all tanks around are pretty full.

Farmers out here who cart their own wheat to Henty complain that there is not sufficient accommodation at the station for the watering of team horses.

The annual picnic in connection with the local school is to be held about the end of the present month.

Pleasant Hills, 3rd Sept.

(Wagga Wagga Express Sat 4th Sept 1897 pg4)

Researched and written by: Fiona Beckett.

Our Backyard

THE HILLS IN SPRING

Well, it's spring in The Hills again, and although the grass is looking green, the moisture isn't very deep. A long string of wet and frosty nights has left us with an illusion of lushness but the dryness in the following days has caused many established trees to perish. I have lost several that have lived happily over the last few years, but I fear the consistent frosts have decimated some of them. This tree planting caper surely has had its ups and downs especially including the fact that most of the trees are being planted on an old dump site. Who knows what was buried there many decades ago. They may well strike a 'bad patch' deep down some time after planting. Anyway, the results have been pretty good to date and one can only go: "Back Jack and Do It Again".

On a brighter note, times are getting ripe for a leisurely stroll around the village, now that the football and netball are winding up. What better way is there to wind up a Friday, Saturday or Sunday with a pitstop (after the walk) at the Pleasant Hills Hotel. Every year there are new attractions to feed one's curiosity. One new attraction (if you're lucky) to see is the family of Echidnas that have taken accommodation somewhere in the reserve. They are quite friendly if

not frightened too much and who knows, there may be more than the mother and two young (at least one year old) spied here. Of course there are still the 'old favourites'; the many bird species, the wallabies and the goannas. One unsolved mystery surrounding 'The Hills' is to why the very large flock of currawongs (at least 40) didn't arrive here this year as they have done for time immemorial. Although they have now returned to their summer homes in the mountains, their lack of attendance was well noted. The handful that did arrive also decided to leave a couple of weeks early. Normally it is a staggered leave but this time the few who did arrive seemed to leave overnight. There could be a number of reasons for this but let's all be well and hope that they returned in numbers next year. It has been a quiet winter without their continuous calling to each other across the skies during the daytime.

It won't be long until summer is here and let's hope we get the rain before then. It seems that it has been raining everywhere except this part of the world. It would not be fair if we received it all at once.

Bob Marshall.

Charlie's Footy Column

The home and away season is over! Finals are here and the intensity has now risen to a new level. Walbundrie's footy oval is looking great and ready to go for a magnificent finals series. Minor premiers: **Under 14s-** Holbrook Brookers **Under 17s-** RWW Giants **Reserves-** Osborne Tigers **First Grade-** Osborne Tigers.

Mitchell Hamson's Adelaide Crows have secured the 2025 Minor Premiership. This year's home and away season went down to the wire with the Gold Coast Essendon game confirming if Gold Coast will make finals. Gold Coast Suns had 2 games in round 24 because of their postponed match earlier in the year and this may just get them into finals

Tash Gowland, for her passion and dedication in playing and coaching, and being a great influence on me and my netball team. Always a good laugh with her.

Most annoying teammate and why

Don't have any annoying teammates, just my coaches for making us run.

Favorite Memory in your Career

My favourite memory would probably be vs giants last year we were having a rough game losing by lots, so decided to completely change up the positions, and I don't play shooter, and being able to play with lots of great people!

Good luck charm before a game

Always eat an apple and a good breakfast, check my netball bag 50 times to make sure I have everything especially my shoes!

What do you like about the Pleasant Hills Community? You will always have a great time at the hills, everyone is friendly and up for a chat!

Matt's Cooking Corner:

Grandpas Leek and Ricotta Cannelloni

Leek Cannelloni with Provolone Piccante
(based on a recipe from Rick Steins' Food Heroes)

Ingredients:

- 50g unsalted butter
- 1kg leeks, cleaned and thinly sliced
- 2 cloves garlic, crushed
- 2 teaspoons fresh thyme leaves (or dried)
- 2 tablespoons water
- 250g fresh ricotta
- 250g fresh lasagne sheets
- 750ml homemade or bottled tomato passata
- salt and pepper to season

Cheese Sauce

- 1 small onion, peeled and halved
- 3 cloves
- 450ml full cream milk
- 1 bay leaf
- ½ teaspoon black peppercorns
- 30g unsalted butter
- 30g plain flour
- 2 tablespoons heavy cream
- 150g provolone piccante, grated
- 1 egg yolk

Method:

1. For the cheese sauce, stud the onion with the cloves and add to a pan with the milk, bay leaf and peppercorns. Bring the milk just to a boil and then set it aside for 20 minutes to infuse.
2. For the filling, melt the butter in a large pan and add the leeks, garlic, thyme and water and cook gently, uncovered, for 15 minutes or until the leeks are tender and the excess liquid has evaporated.

Transfer to a bowl to cool, then beat in the ricotta and season with salt and pepper.

3. Bring a large pot of water to boil and add the sheets of lasagne, one at a time, then take the pan off the heat and allow to soak for 5 minutes. Drain well and leave to cool.

4. Pour the tomato passata into a large ovenproof dish. Spoon the filling into the lasagne sheets and roll them up snugly. Place the rolls seam side down on top of the passata. Preheat the oven to 200C.

5. Finish the cheese sauce: strain the milk into a bowl. Melt the butter in a small saucepan, add the flour and cook over a medium heat for one minute. Gradually beat in the milk, then bring to a boil, stirring constantly. Simmer the pan very gently, stirring occasionally, until the sauce is thick (about 10 minutes), then remove from the heat and stir in the cream, 75g grated provolone, the egg yolk and season to taste.

6. Pour the sauce over the cannelloni, scatter over the remaining cheese, and bake in the oven for 30 minutes or until golden brown.

Note:

Provolone Piccante is a hard, Italian cheese known for its sharp, spicy, and pungent Flavour.

If you can't get hold of it just use Parmesan cheese instead. My favourite is Parmigiano Reggiano.

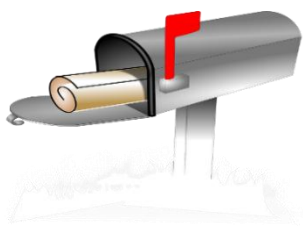

PAPER ROSTER

Please collect papers from the Henty Post Office / Newsagent. It opens at 8am Saturday mornings. Can the papers be at Pleasant Hills by 1000am.
